## **DETAILED ACTION**

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/28/04 has been entered.

Claims 1-2, 4-5, 7-13, 15, 37, 39, 42-45, 47-57 are pending and allowed.

## **REASONS FOR ALLOWANCE**

2. The following is an Examiner's Statement of Reasons for Allowance:

Applicant's amendment filed 10/28/04 in conjunction with declaration filed under 37 CFR1.132 by Dr. Fibach, stating that addition of a transition metal chelator, such as TEPA to undifferentiated hematopoietic cell surprisingly resulted in prolong active proliferation and five fold increasing in clonogenic cell expansion have obviated the previous rejection of record mailed on 06/30/04.

- 6. The prior art does not teach or suggest a method of transplanting expanded undifferentiated hematopoietic cells having a reduced intracellular copper content as recited in claims 1-2, 4-5, 7-13, 15, 37, 39, 42-45, 47-57.
- 3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
